

# Hanson - On The Rocks

Tom: C

[Intro:] C Em F

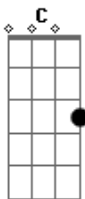

C  
Early in the morning Em  
F  
I am reminded how few things change C Em F C  
We've been through it Em F  
Every time it's the same old phrase C F G C  
Never should have said it Em  
But you should know what I meant to say C F G  
F  
So we're back on the rocks C  
Dm  
Been here before will it ever stop? C G F  
I've tried to change, we're gonna fight C Bb F  
G  
So we can make it right  
Livin' in the moment  
We fight the fog of the every day  
Monday morning in  
20/20 it seem so clear

Even though I see it  
We give into weakness and wind up here

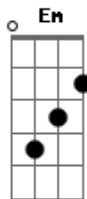

Solo: F G F G

F  
I'm not giving up G  
F  
I'm not giving up Bb G  
C  
If I'm given a reason Em  
Then I'd stop believing and just move on F C Em F  
I can't move on C Em F  
C  
I like it on the rocks Em F C Em F  
I'll take it on the rocks C Em F  
So we can make it right C Em F  
So we can make it right C Em F  
So we can make it right C Em F  
So we can make it right C  
So we can make it right C
