

Hanson - One Way Ticket

Tom: **D**

(I. Hanson / T. Hanson / Z. Hanson)

[Intro:] **D A G A**

D **A** **G** **A**
Don't want to fall into believing in nothing
D **A** **G** **A**
There's enough room for all of you instead
Em
Well I don't feel guilty
Bm **A**
When you say I'm wasting my time

Same old start to the girl in the store
She keeps on dreaming with that look in her eyes
Everyone believes in a future
They've seen in next month magazines

G **D** **A**
I want to run with you until lose control
G **D** **A**
Don't want worry bout getting by
Em
I want to breath when I'm breathing
Bm
And see what I'm seeing
G **D** **A**

Take a one way ticket tonight

G **D** **A**
Take a one way ticket tonight

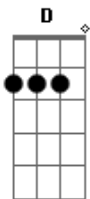

Stock market crash man low on cash
If he hit it big he will make it alright
Yet he don't remember the last cold December
The sun on his face feeling fine

Just lying on the floor in the room by the door
She shot this life with one too many lines
She needed a good time leave the past behind
She got what she wanted alright

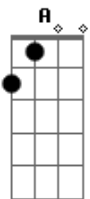

Gbm **Fm** **Em**
If anyone keeps calling well you can tell them
Gbm **Fm** **Em** **Gbm**
I'm done wasting my life I've packed my back
Fm **Em**
I'm searching for something, anything
A
And I won't be coming back

I want to run with you until lose control
Don't want worry bout getting by
I want to breath when I'm breathing
Believe it. Believe it
Take a one way ticket tonight
