

Hanson - Save Me

Tom: E
Intro:

O solo acima começa no A do "Loving You" e vai sendo executado durante toda a estrofe abaixo.

Loving you like I never have before
I'm needing you just to open up that door
Begging you, might somehow turn the tides
And tell me to, I've gotta get his off my mind

I never thought I'd be speaking these words,
I never thought I'd need to say
Another day alone is more than I can take

Won't you save me, 'cause saving is what I need
I just wanna be by your side
Won't you save me, I don't wanna be
Just drifting through the sea of life

Won't you?

Intro: (1x)

A intro é tocada uma vez durante as 2 frases abaixo, começando em "Listen please"

Listen please, baby don't walk out that door
I'm down on my knees, you're all I'm living for

I never thought I'd be speaking these words,
I ever thought I'd find the way
Another day alone is more than I can take

Refrão (1x)

Suddenly the sky is falling
Could it be it's too late for me
If I never said I'm sorry,
Then I'm wrong, yes I'm wrong
Then I hear my spirit calling
Wondering if she's longing for me
And then I know that I can't live without her
