Hanson - Save Me From Myself

Tom: D
Intro: D G D G

```
D          G                          A            D
Amelia was always the one for me but she, she wouldn?t stay
        Bm         G                                A
D
And on a warm day, I came home to find that she had sailed
away
G        Bm     A           D
Maybe I am broken, in some way I can?t tell
G                Bm
I don?t wanna change but lord knows that I need some help
                  D         G        D         G
to save me from myself
D            G                         A
D
Cecilia with flowers in her hair was like a sun, brought me
the life
      Bm        G                             A
D
And I can?t tell you for the life of me why I would choose to
let it burn out
G            Bm         A           D
I wish I was numb, alone here in my cell
```

```
G                      Bm                       A
Cause Something in my heart is making me not feel so well
                          D      G       D       G
Won?t you save me from myself
     Em                      Em
Ooh I get no sleep 'cause I'm all alone
           Bm                   A
Like a living shadow where there once was bone
Em              Em
One cut deep and the other went sour
            Bm                    A
And no one?s to blame but I feel so shattered
G        Bm        A         D
Maybe I am lacking still inside my shell
G              Bm                      A
'Cause I keep making waves and falling victim to the swell
                      D       G    D
Please save me from myself
              G        D        G
cause I?m no good, myself
                      D       G       D
please save me from myself
```
