

# Hanson - Scream And Be Free

Tom: G

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

If I wait for summer to begin I may never begin myself

If we look to another for our dreams they may never become our own

There's a story every girl will shape and a journey every boy must take

Sing it if you know it

Scream it if you feel it

There's nothing standing in your way

Follow along with me

Scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

If you're always living for tomorrow you're gonna miss right now

If we're only looking in the mirror we'll never see ourselves

There's a story every girl will shape and a journey every boy must take

Sing it if you know it

Scream it if you feel it

There's nothing standing in your way

Follow along with me

Scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

You've got to scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

If I wait for summer to begin I may never begin...

Oh oh ohohohoh

Scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Raise your voices

Singing one more song

We will not be here for too long

Ohohohohoh

Raise your voices

Singing my anthem

Make your mark before we're un-done

Ohohohohoh

Ohohohohoh

Ohohohohoh

You've got to scream it out

Sing it if you know it

Scream it if you feel it

There's nothing standing in your way

Follow along with me

Scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

You've got to scream and be free

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh

Oh oh ohohohoh
