

Hanson - Surely as The Sun

Tom: C

I. Hanson / T. Hanson / Z. Hanson

[Intro:] Am Em Dm E

As surely as the sun rises each day

So my love will never change

And though the years may come and go

My love will only grow and grow

Sometimes I wonder what you see in me

'Cause I'm only a man flawed in so many ways you see

I want to share every moment of

The day with you

And I want to share every sunset and every sunrise

And every moon lit night

Solo: Am Em Dm E
