

Hanson - The Walk

Tom: C

[Intro:] F G E(#5)# A

F G
Well deep in the woods where nothing is seen
Em F F F7M
A tightrope is strung to his heel
F G
And high on the walk he's down on one knee
Em F F F7M
He waits for the slow of the breeze
G E Am F
Oh, wow, look at him now, on his feet
G E Am
High up in the sky

F Bm7
And every moment stands endlessly
Am G G G7
It feels as though time isn't moving
F Bm7
And every second, one breath not to breathe
Am G G G7
I watch as he moves to the beat

F G
While I'm on the floor I watch from my seat
Em F F F7M
And watch as he sways with the trees
F G
And slowly he moves, but so elegantly
Em F
I'm more on the edge of my seat

G Em F
On the tightrope everything's bare

G Em F
All that there is, is from here to there
G Em F
On the tightrope the goal is quite clear
G E E E F
Don't lose yourself in your
F G E(#5)# A
Fear...

C C
Everyone waits on the walk
Dm G
Some are long and some small, but all of them tall
C C
Everyone must make a choice
Dm Bb
Will I go for it all, and possibly fall
Am G F G
E(#5)# A
The tightrope is thin I could possibly win on the walk
Well high on the walk the tightrope it bends
And nobody knows where it ends
To win or to lose you're all on your own
Everyone must be alone
