

Hanson - This Time Around

Tom: **Ab**

-Okay, I changed this. I saw hanson perform live on MTV, and there's no capo. You can still do the capo version (it's the same thing, you just don't have to use bar chords), but here's the updated one if you want to be technically perfect.

Chords:	Ab	Gb	Db	Bbm	Eb
E	4	2	4	6	6
B	4	2	6	6	8
G	5	3	6	6	8
D	6	4	6	8	8
A	6	4	4	8	6
E	4	2	X	6	X

X - means don't strum that string
Intro: (Piano transcribed for guitar):

Verse:

Ab **Gb** **Db** **Ab**
It's getting colder in this ditch where I lie
Ab **Gb** **Db** **Ab**
I'm feeling older and I'm wondering why
Ab **Gb** **Db** **Ab**
I heard they told her it was tell and live or die
Ab **Gb** **Db** **Ab**
I didn't know her but I know why she lied
Ab **Gb** **Db** **Ab**
I didn't know her but I know why she died

Chorus:

Gb **Db**
You can't say I didn't give it
Ab
I won't wait another minute
Gb **Db** **Ab**

We're on our way this time around

Gb **Db**
You can't say I didn't give it

Ab
I won't wait another minute

Gb **Db** **Gb**
We're on our way this time around

Gb **Am#** **Db**
And we won't go down

Verse:

I heard them say that dreams should stay in your head
Well I feel ashamed of things that I've said
Put on these chains and you live a free life
Well I'd rather bleed just to know why I die

Repeat Chorus

Bridge:

Eb **Db**
All I know is that fear has got to go

This time around

Guitar Riff:

Verse:

I've started feeling like I don't want to fight
Give in to the given and put out the light
Cannons a blazing shower these moonlit skies
Then I remember and I know why he died
Do you know why I'd died

Repeat Chorus

-Okay, I know there's a guitar solo thingy here, but on the copy I have you can't hear it almost at all, so I couldn't tab it out. I'll be sure to get it when I get the CD! I hope you enjoy it, it's a great song!
