

Hanson - World's On Fire

Tom: **Bb**

(intro) **Bb F Eb F**

Bb
Watched from a distance it's beautiful

Gm
Somebody's caught in the undertow

F
Have you ever felt desperation

Eb
Cause the salt water's filling your lungs

Bb
We're in regret of where we sleep

Gm
Promises never meant to keep

F
When all that the shadows need

Eb
Is a good man to hide in a dream

Bb
Do they know that the world's on fire

Bb
Time is a price you can't afford

Gm
An empty glass and an open door

F
You get what you pay for in sweat

Eb
And a voice says please don't forget

Bb
Do they know that the world's on fire

Do they know that the time is now

F
Do they know that you've got to stand up stand up

Eb
Use your voice speak out

Bb F
Do they know that it's time

Bb
Caught in a maze you can't escape

Gm
The flickering lights and the colored lens

F
The walls that we build just close in

Eb
Until we decide to begin

Bb
Are we distracted by the sun

Gm

The glittering jewels and the beating drums

F
Is it going the distance we fear

Eb
Have you heard that we're already here

Bb
Do they know that the world's on fire

Do they know that the time is now

F
Do they know that you've got to stand up stand up

Eb
Use your voice speak out

Bb
Do they know that the world's on fire

Do they know that the time is here

F
Do they know that you've got to stand up stand up

Eb
Let your voice be clear

Bb
Do they know that it's time

Gm7 Eb7
Some will say we've gone too far

Gm7 Eb7
We're on the edge, we're in too deep

Gm7 Eb7
Some will say we're too far gone

Gm7 Eb7
You can't erase a tragedy

(solo) **Bb F Eb F**

Bb
Do they know that the world's on fire

Gm
Do they know that the time is now

F
Do they know that you've got to stand up stand up

Eb
You've got to stand up stand up

F
Do they know that the world's on fire

Do they know that the time is here

F
Do they know that you've got to stand up stand up

Eb
Let your voice be clear

Bb Gm F
Do they know that it's time

Eb
Do they know, do they know
