

# Hanson - World's On Fire

Tom: Bb

(intro) Bb F Eb F

Bb  
Watched from a distance it's beautiful

Gm  
Somebody's caught in the undertow

F  
Have you ever felt desperation

Eb  
Cause the salt water's filling your lungs

Bb  
We're in regret of where we sleep

Gm  
Promises never meant to keep

F  
When all that the shadows need

Eb  
Is a good man to hide in a dream

Bb  
Do they know that the world's on fire

Bb  
Time is a price you can't afford

Gm  
An empty glass and an open door

F  
You get what you pay for in sweat

Eb  
And a voice says please don't forget

Bb  
Do they know that the world's on fire

F  
Do they know that the time is now

Eb  
Do they know that you've got to stand up stand up

Use your voice speak out

Bb F  
Do they know that it's time

Bb  
Caught in a maze you can't escape

Gm  
The flickering lights and the colored lens

F  
The walls that we build just close in

Eb  
Until we decide to begin

Bb  
Are we distracted by the sun

Gm

The glittering jewels and the beating drums

F  
Is it going the distance we fear

Eb  
Have you heard that we're already here

Bb  
Do they know that the world's on fire

Do they know that the time is now

F  
Do they know that you've got to stand up stand up

Eb  
Use your voice speak out

Bb  
Do they know that the world's on fire

Do they know that the time is here

F  
Do they know that you've got to stand up stand up

Eb  
Let your voice be clear

Bb  
Do they know that it's time

Gm Eb7  
Some will say we've gone to far

Gm Eb7  
We're on the edge, we're in too deep

Gm Eb7  
Some will say we're too far gone

Gm Eb7  
You can't erase a tragedy

(solo) Bb F Eb F

Bb  
Do they know that the world's on fire

Gm  
Do they know that the time is now
