

Harbour - It's Getting Better

Tom: E

So we'll run E

'Cause we're a million miles from empty A B

E And I know we'll keep going 'cause we'll never get enough of it

E Steady on

With no sense of navigation E

And we'll talk about loving it until we get enough of it A B E

E But I know we'll keep talking 'cause we'll never get enough of it

A I can't believe that it's over now E B

But I know it's gettin' better, I know it's Gettin' better A

I can't believe that it's over now E B

A B But I know it's gettin' better, I know it's Gettin' better for you

E It's gettin' better

A B E You changed your mind and I never saw it coming love

A B E So take your time 'cause I'll never be the one you want

A B E Digress, I guess you got enough of it

A B E But I'll digest; I'll always take the brunt of it

A I can't believe that it's over now E B

A But I know it's gettin' better, I know it's Gettin' better

I can't believe that it's over now E B

A B But I know it's Gettin' better, I know it's Gettin' better for you

E It's Gettin' better

(E)

Eyes like tides E

Spilling salt and pride A B E

Over words concise, no I can't be what you want E

E It was standard line

E Still my heart capsized A B E

E Felt the butterflies dying in that rush of blood

E E I said cauterize my wounded mind B E

A Burn away the times that you swore I was the one E

E I can't lie

E I've stayed blind A B E

Eternity together still would never be enough

A I can't believe that it's over now E B

E But I know it's gettin' better, I know it's Gettin' better A

E I can't believe that it's over now B

E But I know it's gettin' better, I know it's Gettin' better A

E I can't believe that it's over now B

A B But I know it's gettin' better, I know it's Gettin' better for you E

E It's gettin' better
