

Hard N'dogs - Little Bit Tough Dog

```
Tom: Gb
   [Intro] Gbm Bm A Gbm
Dogs howling at night
Looking for a love
A Love to devour
A love to behold
Hard dogs walk the streets
Staring at the moon, they breath and cry
And this little bit tough one
Is waiting for a light to make shine
E Eb D Db
(His dark path)
[Refrão]
Come bark at me
Come yell at me
Come be my love
I'm cute but I'm tough
Hard dogs in the night
```

```
Run after you
For sure they will
Devour you
(Gbm)
[Solo] Dbm A E D

Come be my love

Then I will conquer you!
Then I will devour you!
