

# Hardy Guedes - Viver Valerá a Pena

tom:

A

Intro: A

Enquanto houver um rio descendo a cordilheira  
 E uma canção das águas no véu da cachoeira  
 E um lugar pros meus sonhos no teu colo morena  
 Viver valerá a pena, valerá a pena

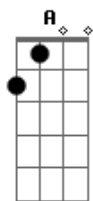

Enquanto um estrela brilhar no firmamento  
 E o perfume das flores se espalhar no vento  
 Deixando em seus cabelos um cheiro de açucena  
 Viver valerá a pena, valerá a pena (2x)

Viver valerá a pena, valerá a pena (2x)

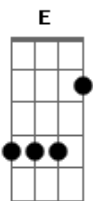

E valerá a pena enquanto a madrugada  
 Romper no breu da noite, e a Terra iluminada  
 Amanhecer cantando um canto de alegria  
 Acordar em seus braços e te dizer bom dia!  
 Bom dia!

E pela vida afora enquanto eu for teu par  
 Me alegrar com teu riso e puder encontrar  
 No fundo dos seus olhos um alma serena  
 Viver valerá a pena, valerá a pena (2x)
