Intro: Gb  A  E7M  Gb  F#dim7  E

                        E
You're just too good to be true
            B  E  E7M
Can't take my eyes off you
          B      E
You'd be like heaven to touch
      A
I wanna hold you so much
                        Am
At long last love has arrived
      E
And I thank God I'm alive
                    Gb      F#dim7
You're just too good to be true
            E
Can't take my eyes off you

Pardon the way that I stare
E7M
There's nothing else to compare
          E7
The sight of you leaves me weak
                      A
There are no words left to speak
          Am
But if you feel like I feel
                E7M
Please let me know that it's real
                Gb       F#dim7
You're just too good to be true
            E
Can't take my eyes off you
