Tom: Eb
Intro: Cm D7 Ab Eb Cm Ab Eb Cm Ab Eb Cm Ab Eb

When the night comes falling from above
When the night comes rising from below
And you're looking for some place to go
When you come to the people you used to know
(Cm Ab7 Eb Gm Cm D(#5) Eb)

Still you wake up to the morning sun
An you're looking back on all the fun
When you think you've lost
Though you may have won
When you've got to slow down 'cause
There's no time to run
Go easy now
Easy now
(Cm Ab Eb Cm Ab Eb)

When you look around

And you've come too far
You're just a moment away
From the one you are
You're just a moment away
(Ab Ab Eb Ab Eb Ab Eb)
Go easy now
Still you wake up to the morning sun
And you're looking back on all the fun
When you think you've lost
Though you may have won
When you've got to slow down 'cause
There's no time to run
Easy now
Go easy now
Easy now
When the night comes falling from above
When the night comes rising from below
