

# Morten Harket - Where You Are

Tom: Eb

Where you are  
You were blessed  
You were blind  
To an angel so unkind  
So ashamed you could die  
cause you find the perfect lie  
These are tears that I know  
Cause I've travelled down that road before  
In the mystery of time  
We can make our reasons rhyme  
With a smile, little friend  
By your side until the end  
Just a boy and a girl  
We don't have to face the world alone  
Where you are I will be with you  
Someday soon our hearts will mend  
Where you are I will be with you  
Till the rainbow's end  
Let it go, give it all  
It won't hurt you when you fall  
We laugh if we cry  
We'll surrender to the sky

We can dream, we can dare  
We'll be brave enough to care once more  
Where you are I will be with you  
Someday soon our hearts will mend  
Where you are I will be with you  
Till the rainbow's end the end  
I will be with you I will be with you  
Till the end  
Someday soon, someday soon our hearts will mend till the end,  
till the end  
( Cm Gm Cm7 Fm7 Ab7 G7 G Dm7 G Cm7 F7 Bm )  
Where you are I will be with you  
Someday soon our hearts will mend  
Where you are I will be with you  
Till the rainbow's end  
Where you are my heart will follow  
Spread your wings and fly away  
Where you are I will be with you  
Till the rainbow's end  
Where you are I will be with you  
Someday soon our hearts will mend  
Where you are I will be with you  
Till the rainbow's end
