

Harpa Cristã - O Bondoso Amigo

tom:

F

Quão bondoso amigo é Cristo!
Carregou com a nossa dor
E nos manda que levemos
Os cuidados ao Senhor

Falta ao coração dorido
Gozo, paz, consolação?
Isso é porque não levamos
Tudo a Deus em oração

Tu estás fraco e carregado
De cuidados e temor?
A Jesus, refúgio eterno
Nele podemos alcançar

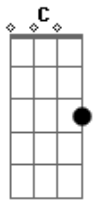

Vai com fé teu mal expor!

Teus amigos te desprezam?
Conta-lhe isso em oração
E com Seu amor tão terno
Paz terás no coração

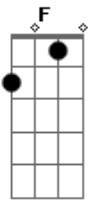

Cristo é verdadeiro amigo
Disto provas nos mostrou
Quando pra levar consigo
O culpado encarnou

Derramou Seu sangue puro
Nossa mancha pra lavar
Gozo em vida e no futuro
Nele podemos alcançar
