Harry Belafonte - Scarlet Ribbons

Tom: G

```
   G         Am7     D7        G
I peeked in to say good night,
 Am7   D7         Am7     G
And I heard my child in prayer.
  G       Am7         D7      G
"And for me, some scarlet ribbons,
  Am7      D7      Am7      G
Scarlet ribbons for my hair."

 G       Am7        D7            G
All our town was closed and shuttered,
Am7        D7          Am7         G
All the streets were dark and bare;
G        Am7       D7        G
In our town, no scarlet ribbons,
Am7      D7       Am7       G
Scarlet ribbons for her hair.
```

Bridge 1:

```
   G         Am7        G7        C
Through the night my heart was aching;
 Em      B       Em       Am7    D7
Just before the dawn was break-ing,

G         Am7      D7      G
I peeked in, and on her pillow,
    Am7    D7      Am7    G
In gay profusion lying there,
G      Am7      D7           G
I saw ribbons,  scarlet ribbons,
Am7       D7       Am7       G
Scarlet ribbons for her hair.
```

Bridge 2:

```
G      Am7    G7     C    Am7
If I live to be a hun-dred
Em      B      Em        Am7   D7
I will never know from where
G            Am7    D7           G
Came those ribbons,   scarlet ribbons,
Am7       D7      Am7 D    G
Scarlet ribbons for her hair.
