                                     F7M G
You got, you got the cinema
It's you
                    G
And I'm not getting over it
Darling, is it cool
                         F7M
If I'm stubborn when it comes to this?
I guess we're in time
If you're getting yourself wet for me
I guess you're all mine
When you're sleeping in this bed with me
I just think you're cool
          G
I dig your cinema
Do you think I'm cool too?
Or am I too into you?
Tell me what you want and you got it, love
I want all of you
    F7M
Gimme all you got
That's cinema
That's cinema, uh-huh
     F7M
It's you
I don't know why but it feels so right to me
Something in the way you move
I like it when you dance for me
           F7M
You all the time (Time, time)
In doses at night (Night, night)
No roof on the drive
Dust off the high
         F7M
And go to sleep (Go to sleep, go to sleep)
I just think you're cool
I dig your cinema
Do you think I'm cool too?
