You got, you got the cinema F G

It's you F

And I'm not getting over it G

Darling, is it cool Em

If I'm stubborn when it comes to this? F

I guess we're in time F

If you're getting yourself wet for me G

I guess you're all mine Em

When you're sleeping in this bed with me F

I just think you're cool F

I dig your cinema G

Do you think I'm cool too? F

Or am I too into you? G

Tell me what you want and you got it, love F

I want all of you F

Gimme all you got G

That's cinema G

That's cinema, uh-huh G

It's you F

I don't know why but it feels so right to me G

Something in the way you move Em

I like it when you dance for me F

You all the time (Time, time) F

In doses at night (Night, night) G

No roof on the drive Em

Dust off the high Em

And go to sleep (Go to sleep, go to sleep) F

I just think you're cool F

I dig your cinema G

Do you think I'm cool too? F

G

Or am I too into you? F

I just think you're cool (Cool, cool) G

I dig your cinema (Cinema) F

Do you think I'm cool too? G

Or am I too into you? (Cinema)
