 Tell me your fears
 D
 I've turned back the clocks, it's that time

 G7M
 But I'm scared if we're both right
 C7M
 Does that mean we're not aligned?

[Refrão]

Am7
 Just for tonight, let's go hangover chasing
 D7
 And I'll talk your ear off about why it's
 Safe
 G7M
 As I fumble my words and fall flat on my
 C7M C
 Face through the truth
 Am7
 Just say the word and we'll take up the
 Test

 Where we flirt with the bad ones and skip
 All the rest

 But we see out the night with your head on
 C7M C
 My chest, me and you

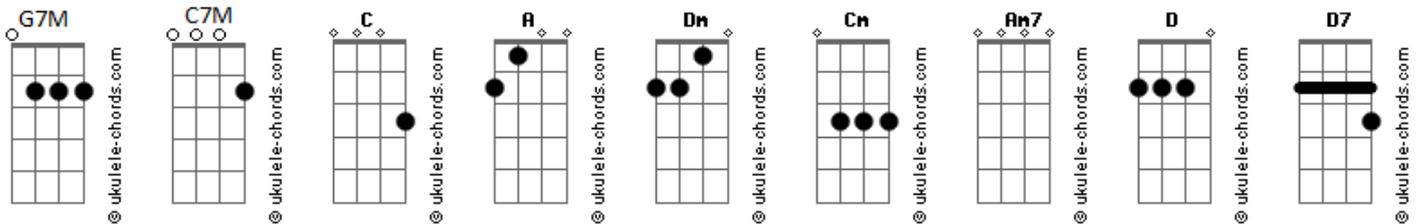

[Pós-Refrão]

And worried, dear
 C7M
 That you think that I might not want you
 Here
 Am7
 Does all of this seem to be bringing us

 Or am I back seating you your life?
 C7M
 Judging while you drive
