

# Harry Styles - Coming Up Roses

tom:  
 B (forma dos acordes no tom de Bb )  
 Capostraste na 1ª casa

**Bm**  
 Tell me your fears

**E**  
 I've turned back the clocks, it's that time of year

**A**  
 If we stay the course, we could get it right

**Gbm**  
 But I'm not devoid of an appetite

**Bm**  
 And everything seems to be coming up

**E**  
 Roses, but I'm scared if we're both right

**Gbm**  
 Does that mean we're not aligned?

**Bm**  
 Just for tonight, let's go hangover chasing

**E**  
 And I'll talk your ear off about why it's safe, as I

**A**  
 Fumble my words and fall flat on my face through the truth

**Bm**  
 Just say the word and we'll take up the test where we

**E**  
 Flirt with the bad ones and skip all the rest, but we

**A**  
 See out the night with your head on my chest, me and you

**Bm**  
 There's only me and you

**Bm**  
 Now I see your tears on account of my wants and now it appears

**A**  
 That I'm feeling guilty and worried, dear

**Gbm**

That you think that I might not want you here

**Bm**  
 Does all of this seem to be bringing us

**E**  
 Closer or am I back-seating your life?

**Gbm**  
 Judging while you drive

**Bm**  
 Just for tonight, let's go hangover chasing

**E**  
 And I'll talk your ear off about why it's safe, as I

**A**  
 Fumble my words and fall flat on my face through the truth

**Bm**  
 Just say the word and we'll take up the test where we
