

Harry Styles - Daylight

tom:
Intro: C F Em F

[Primeira Parte]

C I'm on the roof
F You're in your airplane seat
C I was nose bleeding
F Looking for life out there
C Reading your horoscope
F You were just doing cocaine in my kitchen

You never listen
F I hope you're missing me by now

(C F)

[Pré-Refrão]

C If I was a bluebird
F I would fly to you
C You'd be the spoon
F Dip you in honey so I could be sticking to you

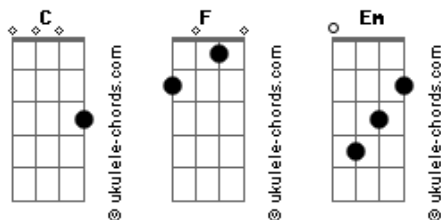

[Refrão]

C Daylight
F You got me cursing the daylight
C Daylight
F You got me cursing the daylight
C Daylight
F You've got me calling at all times
Em Ain't gonna sleep till the daylight

(C F C)
(F C F)

[Segunda Parte]

Acordes

Out of New York
F I'm on the come down speed
C We're on bicycles
F Saying there's life out there
C You've got the antidote
F I'll take one to go, go please

Get the picture
Cut out my middle
F You ain't got time for me right now

[Pré-Refrão]

C If I was a bluebird
F I would fly to you
Em You'd be the spoon
F Dip you in honey so I could be sticking to you

(C F C F)

[Refrão]

C Daylight
