

Harry Styles - Kiwi

Tom: D

[Verse 1]

She worked her way through a cheap pack of cigarettes
Hard liquor mixed with a bit of intellect
And all the boys, they were saying they were into it
Such a pretty face, on a pretty neck

[Chorus]

She's driving me crazy, but I'm into it, but I'm into it
I'm kinda into it
It's getting crazy, I think I'm losing it, I think I'm losing it
I think she said "I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your, it's none of your"

[Verse 2]

It's New York, baby, always jacked up
Holland Tunnel for a nose, it's always backed up
When she's alone, she goes home to a cactus
In a black dress, she's such an actress

[Chorus]

She's driving me crazy, but I'm into it, but I'm into it
I'm kinda into it
It's getting crazy, I think I'm losing it, I think I'm losing it

I think she said "I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your business" (it's none of your, it's none of your)
"I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your, it's none of your"

[Bridge]

She sits beside me like a silhouette
Hard candy dripping on me 'til my feet are wet
And now she's all over me, it's like I paid for it
It's like I paid for it, I'm gonna pay for this

[Solo]

[Chorus]

It's none of your, it's none of your
"I'm having your ba-by, it's none of your business" (it's none of your, it's none of your)
"I'm having your ba-by, it's none of your business"
"I'm having your ba-by, it's none of your business" (it's none of your, it's none of your)
