

Harry Styles - She

```
She (she), she lives in daydreams with me (she)
                            tom:
                                                               She's the first one that I see, and I don't know why
Intro: Em7 Dm7 C7M Am7 B7
                                                                                     Am7
                                                                                            B7
                                                               I don't know who she is (she)
[Primeira Parte]
                                                               She (she), she's the first one that I see (she)
Em7
Nine in the morning
                                                                                            C7M
                               Dm7 G
                                                                She lives in daydreams with me, and I don't know why
A man drops his kids off at school
                                                                                      Am7 B7
                                          Am7 B7
                                                                I don't know where she is (she, she)
                      C7M
And he's thinking of you, like all of us do
                                                                [Ponte]
Sends his assistant for coffee in the afternoon
         C7M
                                   Am7 B7
Around 1:32, like he knows what to do
                                                                Lives for the memory
                                                                                          Dm7
[Refrão]
                                                                A woman who's just in his head (just in his head)
                                                                And she sleeps in his bed (his bed)
She (she), she lives in daydreams with me (she)
                                                                                  Am7
                                                               While he plays pretend (pretend)
                           C7M
She's the first one that I see, and I don't know why
                                                                      B7
                     Am7 B7
                                                                So pretend (pretend)
I don't know who she is (she, she)
                                                                [Refrão]
( Em7 Dm7 C7M Am7 B7 )
                                                                 Fm7
[Segunda Parte]
                                                                She (she), she lives in daydreams with me (she)
                                                                                           C7M
Em7
                                                               She's the first one that I see, and I don't know why
He takes a boat out
                                                                                     Am7
                                                                                            В7
                        Dm7
                                                                I don't know who she is (she, she)
Imagines just sailing away (away, away)
                                                               She (she), she's the first one that I see (she)
                     C7M
And not telling his mates
                                                                                            C7M
                                                               She lives in daydreams with me, and I don't know why
(Not telling his mates)
                                                                                       Am7
                                                                                             B7
Wouldn't know what to say
                                                                I don't know where she is (she, she)
(Wouldn't know what to say, to say)
                                                                [Final] Em7
                                                                                 C7M
                                                                            Dm7
                                                                                       Am7
                                                                       Em7
