

Harry Styles - She

```
She (she), she lives in daydreams with me (she)
                            tom:
                                                                 She's the first one that I see, and I don't know why
Intro: Em Dm C Am B7
                                                                                             R7
                                                                 I don't know who she is (she)
[Primeira Parte]
                                                                 She (she), she's the first one that I see (she)
Nine in the morning
                               Dm G
                                                                 She lives in daydreams with me, and I don't know why
A man drops his kids off at school
                                                                                       Am
                                                                 I don't know where she is (she, she)
And he's thinking of you, like all of us do
                                                                 [Ponte]
Sends his assistant for coffee in the afternoon
Around 1:32, like he knows what to do
                                                                 Lives for the memory
                                                                                            Dm
[Refrão]
                                                                 A woman who's just in his head (just in his head)
                                                                 And she sleeps in his bed (his bed)
She (she), she lives in daydreams with me (she)
                                                                                    Am
                                                                 While he plays pretend (pretend)
She's the first one that I see, and I don't know why
                                                                        B7
                     Am B7
                                                                 So pretend (pretend)
I don't know who she is (she, she)
                                                                 [Refrão]
(Em Dm C Am B7)
[Segunda Parte]
                                                                 She (she), she lives in daydreams with me (she)
                                                                 She's the first one that I see, and I don't know why
He takes a boat out
                                                                                             B7
                                                                 I don't know who she is (she, she)
                        Dm
Imagines just sailing away (away, away)
                                                                 She (she), she's the first one that I see (she)
And not telling his mates
                                                                 She lives in daydreams with me, and I don't know why
