Dinners with your high school friends

Must be lonely out in Paris if you talk like that
F Dm Am
It was tough with the time, but you called me back
C Am
And you know that you can tell me, I can take that
F Dm
Did you get your taste back?
Am
Or do you just need a little love?
C Am
You just need a little love, you just need a little love
F Dm Am
You just need a little love, need a little love
C Am
So you
F Dm
Did you get your taste back?

Lik? two old friends
C Am F Dm Am

C Am F
Is this you settling in? You drinking again

(It's all you)
Dm Am
Handling it like a European

(It's all you)

C Am F
Is this you settling in? You drinking again?
