F Stealing kisses from your mrs, doesn't make you freak out  
F Got you fussing, got you worried, scared to let your guard down

F Boys, boys

F Tell the neighbors I'm not sorry if I'm breaking walls down  
B Building your girl's second story, ripping all your floors out

F Saw your face, heard your name, gotta get with you  
F Girls like girls like boys do, nothing new  
F Isn't this why we came? Gotta get with you  
F Girls like girls like boys do, nothing new  
F Girls like girls like boys do, nothing new

F C D

F Always gonna steal your thunder, watch me like a dark cloud  
F On the move collecting numbers, Imma take your girl out

F We will be everything that we'd ever need ooh  
F Don't tell me, tell me what I feel  
D I'm real and I don't feel like boys  
D I'm real and I don't feel like boys

F Saw your face, heard your name, gotta get with you  
F Girls like girls like boys do, nothing new  
F Isn't this why we came? Gotta get with you  
F Girls like girls like boys do, nothing new  
F Girls like girls like boys do, nothing new

F I've been crossing all the lines, all the lines  
F Kissed your girls and made you cry, boys

F D C (2x)

F Saw your face, heard your name, gotta get with you  
F Girls like girls like boys do, nothing new  
F Isn't this why we came? Tell me if you feel it too!
