

Hayley Williams - Asystole

tom:

[Primeira Parte]

I don't live for you, I live for me

If only that were true

If only I could prove that on my own I'm worthy

Funny how it feels like we're talking

To each other on the other line

But its quiet here

Nothing playing but the song of asystole

[Refrão]

Asystole, asystole

Asystole, asystole

[Segunda Parte]

And I can't get my head to say anything

My heart could ever understand

I want to forget

But the feeling isn't something

I can let myself let go of

The trouble is the way you stick

To any part of me that remains intact

But if I pull the plug

It isn't only me that I'm holding back

[Refrão]

Asystole, asystole

Asystole, asystole

[Terceira Parte]

Revive your love in me

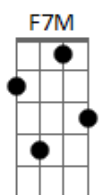

Revive another side of me

My eyes still see the poison devotion in me

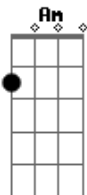

Revive, revive, revive asystole, asystole

[Final]
