Intro: Em7 Gbm7 Cm7 Dm7
[Primeira Parte]
Desire, tidal wave, I can?t tame it
I?m not a water bender, can?t change it
I?m thinking maybe I need a surfboard (Surfboard)
Just gotta ride it out, get it all out
When you?re not mine, am I allowed?
When I was a secret, you kept me
Skinny divorcé, do you regret me?
I?m thinking maybe
Should we go back? Stay friends?
Keep all the benefits?
[Pré-Refrão]
We could sneak around like we?re on tour
Even if that?s all you want me for, for
You could call me Miss Paramour
[Refrão]
'Cause I miss you like I miss the rage
Like I miss real ink on a page
Who knew, who knew my baby
Who knew the hard times were the good ol? days?
'Cause I miss you, miss kissing your face
Blissin? out to music we made
Who knew, who knew my baby?
Who knew the hard times were the good ol? days?
[Segunda Parte]
  Have to get it out my system
Don?t like songs about you, don?t listen
If I?m being honest, I?m almost done
Not easy letting go of the one
I?m not Stevie, I won?t hex ya
But my voice may surely vex ya
             Ghm7
For that I?m sorry (Sorry)
I just want to love ya, but you won?t let me
[Refrão]
'Cause I miss you like I miss the rage
