Intro: **Em7** **Gbm7** **Cm7** **Dm7**

[Primeira Parte]

Em7
Desire, tidal wave, I can't tame it

I'm not a water bender, can't change it
Gbm7
I'm thinking maybe I need a surfboard (Surfboard)

Just gotta ride it out, get it all out

When you're not mine, am I allowed?
Em7
When I was a secret, you kept me

Skinny divorcé, do you regret me?
Gbm7
I'm thinking maybe

Should we go back? Stay friends?

Keep all the benefits?

[Pré-Refrão]

Em7
We could sneak around like we're on tour
Gbm7
Even if that's all you want me for, for

You could call me Miss Paramour

[Refrão]

Em7
'Cause I miss you like I miss the rage

Like I miss real ink on a page
Gbm7
Who knew, who knew my baby

Who knew the hard times were the good ol' days?
Em7
'Cause I miss you, miss kissing your face

Blissin' out to music we made
Gbm7
Who knew, who knew my baby?

Who knew the hard times were the good ol' days?

[Segunda Parte]

Em7
Have to get it out my system

Don't like songs about you, don't listen
Gbm7
If I'm being honest, I'm almost done

Not easy letting go of the one
Em7
I'm not Stevie, I won't hex ya

But my voice may surely vex ya
Gbm7
For that I'm sorry (Sorry)

I just want to love ya, but you won't let me

[Refrão]

Em7
'Cause I miss you like I miss the rage

Like I miss real ink on a page
Gbm7
Who knew, who knew my baby

Who knew the hard times were the good ol' days?
Em7
'Cause I miss you, miss kissing your face

Blissin' out to music we made
Gbm7
Who knew, who knew my baby

Who knew the hard times were the good ol' days?

Em7
You are so tacky

I think that's why I love you so much

I love you, y'all have a blast, bye
