

# Hayley Williams - Good Ol' Days

tom:  
Intro: Em Gbm Cm Dm

[Primeira Parte]

Em  
Desire, tidal wave, I can't tame it

I'm not a water bender, can't change it

Gbm  
I'm thinking maybe I need a surfboard (Surfboard)

Just gotta ride it out, get it all out

When you're not mine, am I allowed?

Em  
When I was a secret, you kept me

Skinny divorcé, do you regret me?

Gbm  
I'm thinking maybe

Should we go back? Stay friends?

Keep all the benefits?

[Pré-Refrão]

Em  
We could sneak around like we're on tour

Gbm  
Even if that's all you want me for, for

You could call me Miss Paramour

[Refrão]

Em  
'Cause I miss you like I miss the rage

Like I miss real ink on a page

Gbm  
Who knew, who knew my baby

Who knew the hard times were the good ol' days?

Em  
'Cause I miss you, miss kissing your face

Blissin' out to music we made

Gbm  
Who knew, who knew my baby?

Who knew the hard times were the good ol' days?

[Segunda Parte]

Em  
Have to get it out my system

Don't like songs about you, don't listen

Gbm  
If I'm being honest, I'm almost done

Not easy letting go of the one

Em  
I'm not Stevie, I won't hex ya

But my voice may surely vex ya

Gbm  
For that I'm sorry (Sorry)

I just want to love ya, but you won't let me

[Refrão]

Em  
'Cause I miss you like I miss the rage

Like I miss real ink on a page

Gbm  
Who knew, who knew my baby

Who knew the hard times were the good ol' days?

Em  
'Cause I miss you, miss kissing your face

Blissin' out to music we made

Gbm  
Who knew, who knew my baby

Who knew the hard times were the good ol' days?

Em  
You are so tacky

I think that's why I love you so much

Gbm  
I just had to call you first on my new phone

I love you, y'all have a blast, bye
