

# Hayley Williams - Leave It Alone

tom:

G

Don?t nobody tell me that God don?t have  
A sense of humor  
Cause now that I want to live  
Well everybody around me is dying  
Now that I finally want to live  
The ones I love are dying

G

Becoming friends with a noose that I made  
And I been trying to untie it  
Make it into something useful  
Or maybe hang it through a window pane  
Turn it into a fire escape

Gm Dm C Gm Dm C

It tastes so bitter on my tongue  
The truth?s a killer  
But I can?t leave it alone  
But I can?t leave it alone  
But I can?t leave it alone

G

You don?t remember my name somedays  
Or that we?re related

G

Triggers my worry  
Who else am I gonna lose before I am ready?  
And who?s gonna lose me?

Gm Dm C Gm Dm C

It tastes so bitter on my tongue  
The truth?s a killer  
But I can?t leave it alone  
But I can?t leave it alone  
But I can?t leave it alone

Cm Gm

If you know love  
Best prepare to grieve  
Let it into your open heart and  
Then prepare to let it leave

G ( G ) Dm C

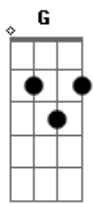

It tastes so bitter...

( Gm Dm C )

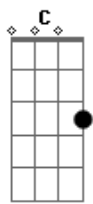

Gm Dm

The truth?s a killer  
But I can?t leave it alone  
But I can?t leave it a-lone  
But I can?t leave it a-lone  
But I can?t leave it a-lone  
But I can't leave it a-
