       F Dm G Bb
```

[Primeira Parte]

```
F          Dm           G
Nobody wants to be alone
                 Bb
But that is not why I want you
F          Dm              G     Bb
See I've tried and I keep trying, but baby
```

[Refrão]

```
                     F                  Dm
It's no use, it's no use, I just love you
         C              Bb
It's no use, I just love you
         F              Dm
It's no use, I just love you
         C              Bb
It's no use, I just love you
```

[Segunda Parte]

```
F          Dm                  G
If I just wanted someone to hold
           Bb
Then really anyone would do
F          Dm                  G
```

```
I close my eyes and really try
                Bb
No to turn them into you
```

[Refrão]

```
              F                Dm
It's no use, I just love you
              C                Bb
It's no use, I just love you
              F                Dm
It's no use, I just love you
              C                Bb
It's no use, I just love you

It's no use, I just do
```

[Final]

```
              Dm               F
It's no use, I just love you
              Bb               C
It's no use, I just love you
              Dm               F
It's no use, I just love you
              C
It's no use, I just love you
Dm  C              G
Mmm   it's no use, I just love you
                Bb
It's no use, I just love you
                G
It's no use, I just love you

It's no use, I just love you
```
