

Hayley Williams - Trigger

tom: G

All I ever had to say about love is a sad song C Am
 I get off on telling everybody what went wrong Am
 It makes me feel like the pain had a purpose F Am
 Keeps me believing that maybe its worth it F G G7

Truth is all I really want is somebody who wants me C Am
 Somebody I can count on, who won't disappoint me Am
 At first it seems easy, I vow not to give up F Am
 Let 'em debate me, while keeping my chin up F G G7

'Cause I got the trigger, but you hold the gun C Am F
 How come you never put the safety on? C Am F
 I got the trigger, but you hold the gun F Am F
 How come you never put the safety on? C Am F

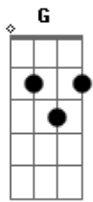

How come you never put the safety on? Hmm (C Am)

So what do people sing about once they finally found it? C Am
 Take it for granted think of how they were better without it C Am
 I'd like to imagine I'll never be like that C G G7
 But if I'm honest, I know I already have C G G7

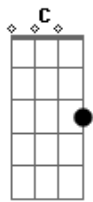

'Cause I got the trigger, but you hold the gun C Am F
 How come you never put the safety on? C Am F
 I got the trigger, but you hold the gun F Am F
 How come you never put the safety on? C Am F

I got the trigger, but you own the gun C Am F
 How come you never put the safety on? C Am F
 Yeah, I got the trigger, but you hold the gun C Am F
 How come you never put the safety on? Hmm C Am F
