Open your mouth

On the stranger side of your door

What do you look like now?

G

I try to replicate our movements in my mind

F

And now I

G

Can't seem to remember why

We ever

F G C

Felt we had to say goodbye

Dm G F

I can't seem to remember why

G

Can't seem to remember why

F

Tin-can telephone

G

From your home to my home

F

I can't feel your energy no more

G C

No more, no more (No more, no more, no more)

F G

No more, no more, ha-ah

C

No more, no more (No more, no more, no more)

F G

No more, no more, ha-ah

No more, no more

F

And now I

G

Can't seem to remember why

We ever

F G C

Felt we had to say goodbye

Dm G

I can't seem to remember why

Darling, we ever

F G

Can't seem to remember why

( Am G F )

Am G F

I spent the weekend at home again

Am G F

Drawing circles on the floor

I don't know why anymore

Am G F

I just wanna talk about it

Am G F

I know I freaked you out

Am G F

I just wanna talk about it

Am G F

Sorry for freaking out

Am G F

I just wanna talk about it

Am G F

I know I freaked you out

Am G F

I just wanna talk about it

Am G F

Sorry for freaking out

Am G F

Sorry for freaking out

Am G F

I just wanna talk about it

Am G F

Sorry for freaking out

Am G F

I just wanna talk about it

Am G F

Sorry for freaking out

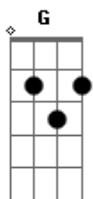

Am G F

I just wanna talk about it

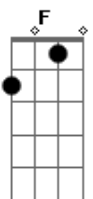

Am G F

Sorry for freaking out
