

Hazbin Hotel - VOX DEI

tom:
 This angel admits it

She called the extermination to silence the sinners speaking out

Empowering each other

You did it to keep us down

[Verso]

Well, we are not gonna be kept down anymore

Consider this a declaration of holy war

I've woken up the people to the lies you angels tell

When we pay you a visit, we won't be bringing baskets

We'll be bringing decimation that'll put you in caskets

I'll show you what it means to be the motherfuckin' king of Hell

[Refrão]

'Cause I'm the furor, I'm immense

I am the avatar of your consequence

I'm your omega, I'm the flood

I am the nightmare you made when you spilled our blood

So cower and hide, find a rope you can swing from

Go say your goodbyes, to your lives, to your kingdom
