

Hazlett - Blame The Moon

```
tom:
               Bb
Intro: Gm Bb Eb Bb
[Primeira Parte]
Holes in your pockets, watch you lose
Anything you thought was meant for you
Daddy asks you if you'll stay
Doesn't know he's the one who made you feel this way
( Gm Bb Eb Bb )
[Segunda Parte]
I think fights are better off outside
Ten toes in tall grass must feel nice
Go take a slice, there's plenty left
Gonna need your legs for running west
[Refrão]
Lately, I don't feel inspired
Wish I was a better liar
Maybe that's why I
Blame the moon
It's too late to be this early
Heaven knows you tried to hurt me

[Terceira Parte]
That's cute, your best friend looks like you
Without the self indulgent attitude
There's a code, a vault filled with the years I'll waste
Take a bitter pill without the face
