

He Is We - Light a Way

Tom: **G**

(intro)

(verse)

The morning's here, and we're still caught up in the night.
The sky was clear, and everything felt right.

G Our time is short, but I'm sure I'll see you soon.
C We'll take another walk along the bridge, and underneath the moon.

(**G D C D**)

G What a find, If I could I'd hit rewind and replay.
All the moments that I wished, I could've called you mine.

G C Em D
And tonight, I pray.

G Light a way, on my love.
D Light a way, from above.
Em Shine it down, lead me home,
D Back to him.

G A night away, and we've got a few to go.
C And I've mastered the art of missing, and my smile...

G Lacks a glow, that you showed me how to shine that very night.
D

C We were entwined, Oh God how I wish you were mine.
D G

C Em D
And tonight, I pray.

G Light a way, on my love.

D Light a way, from above.

Em Shine it down, lead me home,
D Back to him.

(Bring me back to him)

G Now I lay me down to sleep, I pray my heart you choose to keep.
C

Em And if I die before I wake, all of me is yours to take.
D

G If I don't see you again, It'd take all I have within.
C

Em Maybe I'll just stay awake, I think I'll just stay awake.
D G

Light a way, on my love.

D Light a way, from above.

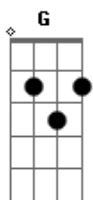

Em Shine it down, lead me home,
G

Light a way, on my love.

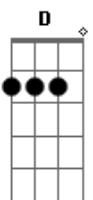

D Light a way, from above.

Em Shine it down, lead me home.
