

## He Is We - Pour Me Out

```
Tom: G
Wake up in the morning
It's not so bad
      Em7
I can taste you on my lips
     D
And it makes me sad
      C
There's a part of me that just wants you back
                                                  C Em7
        Em7
                               D
You're the one thing I want that I never did have D C Em7 D
That I never did have, oo-oooh noooo
C Em7
Fill me up
    Em7
Steam me up
C Em7
Hear me shout
Tip me over and pour me out
C Em7
Pour me out
     D
On the concrete next to your feet
      C Em7
Do I have to cry
                 out
      D
Can you hear me
Oh just to be
    C Em7
With you
Oh gosh this bed
It feels so cold
My head was lead by the lies you told
But to this day my heart you stole
```

## **Acordes**

```
Em7
In a bind left behind waiting for your call
   Fm7
Fill me up
C Em7
Steam me up
C Fm7
Hear me shout
Tip me over and pour me out
C Em7
Pour me out
     D
On the concrete next to your feet
           C Em7
Do I have to cry
      D
Can you hear me
Oh just to be
                 D
    C Em7
With you
(I dont know this next part, sorry :/):
I will lay awake tonight
And nothing here is feeling right
so what's a girl to do?
With a mess like you
(This pasrt is more simple to figure out):
Pour me out
On the concrete next to your feet
Do I have to cry out
Can you hear me
Oh just to be
Pour me out
On the concrete next to your feet
Do I have to cry out
Can you hear me
Can you hear me
Do I have to cry
Can you hear me
Oh just to be, just to be with you
Oh just to be with you
Oh just to be with you
```
