**G**  
It was a rainy night when he came into sight  
**C**  
standing by the road, no umbrella, no coat

**Bm**  
So I pulled up along side and I offered him a ride  
**C**  
he accepted with a smile, so we drove for a while  
**D**

**G**  
I didn't ask him his name, this lonely boy in the rain  
**Em**  
**C**  
Fate tell me it's right, is this love at first sight  
**D**  
Please, don't make it wrong, just stay for the night

**G**  
All I wanna do is make love to you. Say you will you want me, too  
**C**  
**G**  
All I wanna do is make love to you. I've got lovin' arms to hold on to  
**C**

**G**  
So we found this hotel, it was a place I knew well  
**Bm**  
**C**  
We made magic that night. Oh, he did everything right  
**Bm**  
He brought the woman out of me, so many times, easily  
**C**  
And in the morning when he woke, all I left him was a note  
**D**

**G**  
I told him I am the flower you are the seed  
**Em**  
we walked in the garden, we planted a tree  
**C**  
Don't try to find me, please don't you dare  
**D**  
Just live in my memory, you'll always be there

**G**  
All I wanna do is make love to you, one night of love was all we knew.  
**C**  
**G**

All I wanna do is make love to you, I've got lovin' arms to hold on to

**D**  
Oh, oooh, we made love, love like strangers  
**Em**  
**C**  
All night long we made love  
**G**

**Bm**  
Then it happened one day, we came round the same way  
**C**  
You can imagine his surprise when he saw his own eyes  
**D**  
**G**  
I said please, please understand, I'm in love with another man  
**Em**  
**C**  
And what he couldn't give me, was the one little thing that you can  
**D**

**G**  
All I wanna do is make love to you, one night of love was all we knew  
**C**  
**G**  
All I want to do is make love to you  
**C**  
Come on, say you will, you want me, too
