

Heart - Lost Angel

tom:

Intro:

[Riff 1]
As it was before shall it ever, ever be
Hear it on the crying wind, hear it weeping on the sea
Through the winter valley wild and through the darkest night
Here comes the evil news of the coming fight, yeah

G
So love, bring your birds, bring your feathers of peace

D
All through the storm let the tides release, yeah yeah yeah
G
Love, bring your birds, bring your feathers of peace

All through the storm let the tides release

D C G C
Come on down, Lost Angel, find us now
D C Em7 G
From the clouds above right down to the ground
