

# Heart - The Perfect Goodbye

Tom: B

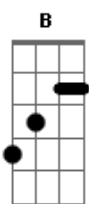

Do you see me, do I see you  
 And all the footprints, we left in this room  
 A smile in the hall, framed on the wall  
 Do we say words that rise and fall, like the circles of blue  
 Shoes on the floor, they're intertwined  
 Just like the touch, we left behind  
 Walk through the door, and say no more  
 Say no more easy ali-bis to put out the fire  
 It's the perfect goodbye  
 No time no tell as from your lips  
 The words that never fell it's a simple fairwell  
 No fight no flight  
 No live no die  
 No me no cry cry cry cry  
 No me no cry  
 Perfect goodbye  
 Hang up the phone  
 I should have known  
 Better alone that killing time

With fake valentines

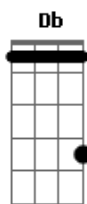

It's the perfect goodbye  
 No time no tell as from your lips  
 The words that never fell it's a simple fairwell  
 No fight no flight  
 No live no die  
 No me no cry cry cry cry  
 No me no cry  
 I'll see you sometime  
 Once in awhile  
 No partners in crime  
 Just a face in the file
