B E B

A mighty fortress is our God
Abm E B
A bulwark never failing
E B
Our helper he, amid the flood
Abm E B
Of mortal ills prevailing

Abm Gb B
For still our ancient foe
Gb Abm
Doth seek to work us woe
Gb B
His craft and power are great
E Ebm
And, armed with cruel hate
E B
On earth is not his equal

Dbm Abm E B

B E B
If we in our own strength confide
Abm E B
Our striving would be losing
E B
Were not the right man on our side
Abm E B
The man of God's own choosing
Abm Gb B
You ask who that may be?
Gb Abm
Christ Jesus, it is he
Gb B
The lord of hosts, his name
E Ebm
From age to age the same
E Gb B
And he must win the ba-ttle

Dbm Abm E B
Ô ô ô ô

B E B
And though this world, with devils filled
Abm E B

Should threaten to undo us
 B E B
 We will not fear, for God hath willed
 Abm E B
 His truth to triumph through us

B E B
 And though this world, with devils filled
 Abm E B
 Should threaten to undo us
 B E B
 We will not fear, for God hath willed
 Abm E B
 His truth to triumph through us

Dbm Abm E B

A mighty fortress is our God
His kingdom is forever

A mighty fortress is our God
His kingdom is forever

A mighty fortress is our God
His kingdom is forever

A mighty fortress is our God
His kingdom is forever

His kingdom is forever

B E B
His kingdom is forever

His kingdom is forever

His kingdom is forever
