

# H.E.A.T - The One And Only

tom:

Intro: E B A E

E B Hey! Something I got to tell you

It's hard to say but I need you to know

It's time to write a new kind of story

I try to explain the reason why I have to go

?Cause there's a time for love

A time for change

A time to mend

But I can't pretend ?cause I wanna be the one and only

I guess we all need time

I guess we all need space

I guess I'm needing mine

The one and only one

I guess we live to find a way to draw the line

Or the life will leave behind

?Cause I, I wanna be (I wanna be)

Yeah, I, I'm gonna be the one and only

( E B A )

E B Hey! A somewhere in the distance

I know you might find someone, somewhere to go

And I don't know ?cause my head keeps spinning

Reaching for a new beginning

Dbm Badd9 Aadd9

Finally it's plain to see

And there's a time for love

A time for change

A time to mend

But I can't pretend ?cause I wanna be the one and only

I guess we all need time

I guess we all need space

I guess I'm needing mine

The one and only one

I guess we live to find a way to draw the line

Or the life will leave behind

?Cause I, I wanna be (I wanna be)

Yeah, I, I'm gonna be the one and only

I guess we all need time

I guess we all need space

I guess I'm needing mine

The one and only one

I guess we live to find a way to draw the line

Or the life will leave behind

?Cause I, I wanna be (I wanna be)

Yeah, I, I'm gonna be the one and only

( E B A )

Tell me yeah!

The one and only yeah!

Let me know I just feel the pain, oh

The one and only one

## Acordes
