tom: Gm

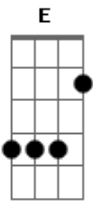

I float in a boat Gm
 In a raging black ocean Gm Eb7M
 Low in the water Eb7M Cm
 And nowhere to go F
 The tiniest lifeboat Gm
 With people I know Gm
 Cold, clammy, and crowded Gm Eb7M
 The people smell desperate Eb7M Cm
 We'll sink any minute F
 So someone must go Gm
 The tiniest lifeboat Gm
 With the people I know Gm

Everyone's pushing
 Everyone's fighting F
 Storms are approaching
 There's nowhere to hide E
 If I say the wrong thing Eb
 Or I wear the wrong outfit Eb 7
 They'll throw me right over the side Gm
 I'm hugging my knees Gm Eb7M
 And the captain is pointing
 Well, who made her captain? Eb7M Cm F
 Still, the weakest must go Gm Gm
 The tiniest lifeboat Eb7M Eb7M
 Full of people I know Cm F
 The tiniest lifeboat Gm7
 Full of people I know
