

Heathers The Musical - Seventeen

tom:
 Gbm
 Fine, we're damaged
 Really damaged
 But that does not make us wise
 A
 We're not special, we're not different
 We don't choose who lives or dies
 A
 Let's be normal, see bad movies
 Ab
 Sneak a beer and watch tv
 Db
 We'll bake brownies or go bowling
 E
 Don't you want a life with me?
 D Bm
 Can't we be seventeen?
 Dbm D
 That's all I want to do
 E A
 If you could let me in
 Dbm A Gbm
 I could be good with you
 People hurt us
 Or they vanish
 A
 And you're right it really blows
 But we let go
 Take a deep breath
 A
 Then go buy some summer clothes
 We'll go camping
 Play some poker
 Ab
 Then we'll eat some chilli fries
 Maybe prom night
 Maybe dancing
 E

Don't stop looking in my eyes
 Your eyes

Bm
 Can't we be seventeen
 Dbm D
 Is that so hard to do?
 E A
 If you could let me in
 Ab E
 I could be good with you
 Bm
 Let us be seventeen
 Dbm D
 If we've still got the right

E A
 So what's it gonna be
 I wanna be with you
 I wanna be with you
 I wanna be with you

Tonight
 (F D C A)
 (G F D A Gbm)

Yeah we're damaged
 Badly damaged
 A
 But your love's too good to lose
 Hold me tighter
 Even closer
 A
 I'll stay if I'm what you choose
 Can't we be seventeen?
 Gbm
 If I am what you choose
 If we've still got the right
 D
 'Cause you're the one I choose
 You're the one I choose
 Gbm
 You're the one I choose
