C F  
It was being hard to sleep at night  
C F  
With all the problems, I insisted on getting high  
C F  
Fake lovers, liars brothers and distant thoughts  
C F  
Dreaming big, shouting to the world about

Em F C  
Millions of miles we walked to be free  
Em F C  
Long island where it wasn't hard to find peace  
( C F )

C F  
This reality of mistakes that I've done  
C F  
The city calls, but not the melody I want  
C F  
That world stage broke in some parts  
C F  
So why do not, together, restart

Em F C

These are our lives, I need to try and i'll stay  
Em F C  
Screaming loud about the ocean and the waves

C Em F  
I was holding in her face to carry on (trying to hold on)  
C Em F  
Fighting against my demons to go on (a place that i belong)  
C Em F  
Walking through rivers and storms (Singing folk songs)  
C Em F Fm  
Waiting the rising of the sun  
( C F )

Finally I found who completes me  
With love, love, you will be all you need  
And we insist on playing this game again  
Cause when I'm with you, it feels I can be who I really am

Em F C  
We're falling down on the dark loneliness  
Em F C  
Take my hand, come with me in other way

C Em F  
I was holding in her face to carry on (trying to hold on)  
C Em F  
Fighting against my demons to go on (a place that i belong)  
C Em F  
Walking through rivers and storms (Singing folk songs)  
C Em F Fm  
Waiting the rising of the sun
