

Helene Fischer - Goodbye My Love

Tom: **D**
Intro: **Bm Gb7**

Bm **Em**
You turn and walk away

A7 **D**
The wind is cold, so cold today

Em
But I know that you'll return

Bm
It's one thing that I've learned

Em **Gb**
To listen to my heart when it believes

Bm **Em**
The night is endless now

A7 **D**
But I'll be strong, you showed me how

Em
Before I let you go,

Bm
The world I used to know

Em **Gb** **B**
You gave me all the hope I need

Em
Goodbye my love until we meet again

B
I know that you must go it's not the end

Em
May happiness be yours along the way

B
And where you go may love be yours each day

B
My love I know you have to say farewell

B
I'll be alright now I know time will tell

One day you will return I don't know when **Gb**

Goodbye my love until we meet again **B**
