

## **Hélio - Oceans (Where Feet May Fail)**

```
For I am Yours and You are mine
Intro: Am C G F
                                                              ( C G F )
Verse 1:
                                                              Bridge:
You call me_out upon the waters
                                                              Spirit lead me where my trust is without borders
The great unknown where feet may fail
                                                              Let me walk upon the waters
And there I find You in the mystery
                                                              Wherever You would call me
In oceans deep
                                                              Take me deeper than my feet could ever wander
My faith will stand
                                                              And my faith will be made stronger
Chorus:
                                                              In the presence of my Savior
So I will call upon Your name
                                                              Spirit lead me where my trust is without borders
And keep my eyes above the waves
                                                              Let me walk upon the waters
When oceans rise
                                                              Wherever You would call me
My soul will rest in your embrace
                                                              Take me deeper than my feet could ever wander
                     Am
        F G
For I am Yours and You are mine
                                                              And my faith will be made stronger
( C G F )
                                                              In the presence of my Savior
Verse 2:
                                                              Spirit lead me where my trust is without borders
Your grace abounds in deepest waters
      G
                                                              Let me walk upon the waters
Your sovereign hand
                                                              Wherever You would call me
Will be my guide
                                                              Take me deeper than my feet could ever wander
Where feet may fail and fear surrounds me
                                                              And my faith will be made stronger
You've never failed and you won't start now
                                                              In the presence of my Savior
                                                              ( F C G F )
So I will call upon Your name
                                                              Ending Chorus:
And keep my eyes above the waves
                                                                I will call upon Your name
When oceans rise
                                                                Keep my eyes above the waves
My soul will rest in your embrace
                                                                My soul will rest in your embrace
                                                                      F C
```

I am Yours and You are mine
